

MULTI TIER TROLLEYS
adjustable position shelves
304 stainless steel

Heavy duty quality, robust construction, good aesthetic style, safety finish is easy to maintain and keep clean. Suitable for any harsh hard working environment where high standard of hygiene is essential.

There are no exposed bolts, brackets or components, all round upstands to each tier, all seamless finish. Designed for kitchens, food service areas, hospitals, laboratories, butchers, abattoirs, bakery, dairy, fishmonger, food processing, veterinary services and any other area where stringent standards are required.

The quality of these trolleys is certified worldwide by:

- NSF** (National Sanitary Foundation)
- ANSI** (American National Standards Institute)
- SSC** (Standards Council of Canada)

Model **SSGT** General purpose trolley is available two, three or four tier - each tier height adjustable. 5" (130 mm) castors are standard, 2 with brake and 2 without brake.

Available with any handle type as shown.

All trolleys are dispatched in easy to handle and store cartons ready for on site assembly.
